

Campus Rec Closes, Student Union Food Service is Boxed

Campus Rec Closes:

In response to the worldwide COVID-19 pandemic, March 17 will be the last day both University of Arizona Campus Recreation centers are open until further notice. The university is continually monitoring the CDC and federal guidelines, and with the most recent recommendation that no more than 10 people gather in the same place, closing the centers was the most appropriate decision.

Changes in Food Service:

In accordance with the announcement today by City of Tucson Mayor Regina Romero, the University of Arizona Student Unions will now prepare and serve food for take-out only at four distribution locations on campus. In addition, three of our convenience store markets will remain open for snack and grocery shopping.

Beginning March 18, the Students Unions will offer the following:

- Prepared and prepackaged boxed meals will be distributed three times per day for breakfast, lunch and dinner.
- These boxed options will be available at four locations:
 - Arizona Market at the Student Union Memorial Center
 - Highland Market, 525 N Highland Ave, (Einstein Bros. Bagels and Highland Grill, both inside Highland Market, are closed)
 - Park Avenue Market, 615 N Park Ave, (Global Center, west campus)
 - '85 North at Honors Village, 1101 E Mabel St
- Distribution times will be:
 - Breakfast – 8am – 10am
 - Lunch – 11:30am – 1:30pm
 - Dinner – 5pm – 7pm
- The boxed meals can be purchased with a meal plan, credit or cash for \$5 to \$10.
- Coffee service will be available at all four locations.
- To continue encouraging social distancing, each of the locations have open air seating nearby.
- As per the current CDC guidelines, each location will be limited to a maximum of 10 customers at a time for food pickup.
- The Starbucks at the University of Arizona BookStore, 1209 E University Blvd, will be open and will use exterior window pickup only with no in-store service. Exterior pick up is also available through Grubhub.
- The Starbucks at the library will be closed.
- Shake Smart located inside both Rec Centers will be closed.
