RE: **Wildcat Welcome Volunteer Opportunity**

Wildcat Welcome is the official UA Welcome Back program and will be held August 18-29, 2010. We hope that you will get involved with Wildcat Welcome and volunteer your time to help us welcome our students back to campus.

There are a variety of events at which you can volunteer your time. We do everything from help students get moved in, give them directions to class, and scoop them some cold ice cream in-between their classes. If you as an individual, or your department, are interested in helping out, please fill out the attached volunteer form and send it back to us by August 6th. We will confirm your assignment with you *and* give you a Wildcat Welcome shirt to wear during the week.

Volunteering is a great way to get to know our students and share the resources you offer.

Don't hesitate to call with your questions regarding events 621-2782.
