A MONTHLY PUBLICATION FOR ARIZONA STUDENT UNION STUDENT EMPLOYEES

FEBRUARY VOLUME 3, NO. 1

Name Tags

- Stephanie Cunningham

The Student Unions have new nametags! These gold oval name badges are replacing your Employee Card as official work identification, and should be worn at all times while you are at work. Student employees' name badges should contain their first name and department/location, but student leads and PIPs can have their first and last name and their appropriate title. The badges can come with a clip, a pin, or a magnet to attach to clothing or lanyards. If you don't have a new gold nametag, talk to your supervisor today! Keep in mind that you still need your Employee Card to use the 50/50 Meal Plan.

Sports Intramurals

Interested in playing on an INTRAMURALS team with your coworkers from the union for FREE? If so, send an email to morton.vance@gmail.com for more information. We have the option of playing speed soccer, softball, and ultimate frisbee. The deadline to respond is March 14th so don't wait! Thanks!

Customer Service: Customer's First

- Ashley Labar

The Arizona Student Unions has changed their new student employee orientation on focusing upon providing great customer services. All several of our differ-

ent areas including: Dining Services, Operations, Retail / Administration, and the Center for Student Involvement will be participating. Part of the new orientation is taken online, learning about what makes our union one of the largest and most successful, with the help of our great friendly crew that many get the opportunity to be a part of. The other portion of the orientation is taken at the USMC focusing on providing satisfying additional service and seizes moments for going above and beyond when serving customers. By performing operational excellence, achieved and learned by serving our customers courteously, by acknowledging, listening, and thanking them.

Student Employee Profile

Colleen Runyan

-Jessica Stoelting

Colleen Runyan is a senior majoring in English. Originally from Missouri, she moved to Arizona when she was 13. After that she lived in Phoenix until she fell in love with the U of A campus and decided to come to Tucson. When you can't find Colleen at the Info Desk, which she has been working at since December 2006, she can be found reading, writing or with her pet rabbit Bonnie. In her spare time she also enjoys shopping and playing sports. She used to love playing basketball, and still does on occasion. Colleen has recently gotten involved in Student HR and was in the Student Union's Professional Internship Program last semester. She loves working here at the Student Unions and made a lot of her friends while working here. Come stop by the Info Desk to visit Colleen and say hello! She'd loves to meet new people and make new friends.

YOUunion Aid

-Marisa Enriquez

My name is Marisa Enriquez and I am really excited to introduce the new sustainability initiative for the Student Unions. I was involved in the PIP program last semester and as a result, my group developed YOUunion Aid, which is now being implemented. The catch phrase "Going green" is probably what most people are aware of, but YOUunion Aid wants to spread awareness that sustainability is so much more. Along with the environmental aspect, there are social, economic and educational areas to be covered. In the coming months the program will continue to develop and eventually yield positive, sustainable results!
